Be it enacted by the Senate and House of Representatives in General Assembly convened:

Section 1. Subdivision (4) of subsection (c) of section 10-153f of the general statutes is repealed and the following is substituted in lieu thereof (*Effective July 1, 2011*):

(4) After hearing all the issues, the arbitrators or the single arbitrator shall, within twenty days, render a decision in writing, signed by a majority of the arbitrators or the single arbitrator, which states in detail the nature of the decision and the disposition of the issues by the arbitrators or the single arbitrator. The written decision shall include a narrative explaining the evaluation by the arbitrators or the single arbitrator of the evidence presented for each item upon which a decision was rendered by the arbitrators or the single arbitrator and shall state with particularity the basis for the decision as to each disputed issue and the manner in which the factors enumerated in this subdivision were considered in arriving at such decision, including, where applicable, the specific similar groups and conditions of employment presented for comparison and accepted by the arbitrators or the single arbitrator and the reason for such acceptance. arbitrators or the single arbitrator shall file one copy of the decision with the commissioner, each town clerk in the school district involved, the legislative body or bodies of the town or towns for the school district involved, or, in the case of a town for which the legislative body of the town is a town meeting or representative town meeting, to the board of selectmen, and the board of education and organization which are parties to the dispute. The decision of the arbitrators or the single arbitrator shall be final and binding upon the parties to the dispute unless a rejection is filed in accordance with subdivision (7) of this subsection. The decision of the arbitrators or the single arbitrator shall incorporate those items of agreement the parties have reached prior to its issuance. At any time prior to the issuance of a decision by the arbitrators or the single arbitrator, the parties may jointly file with the arbitrators or the single arbitrator, any stipulations setting forth contract provisions which both parties agree to accept. In arriving at a decision, the arbitrators or the single arbitrator shall give priority to the public interest and the financial capability of the town or towns in the school district, including consideration of other demands on the financial capability of the town or towns in the school district. In assessing the financial capability of the town or towns, there shall be an irrebuttable presumption that a budget reserve of five per cent or less is not available for payment of the cost of any item subject to arbitration under this chapter. The arbitrators or the single arbitrator shall further consider, in light of such financial capability, the following factors: (A) The negotiations between the parties prior to arbitration, including the offers and the range of discussion of the issues; (B) the interests and welfare of the employee group; (C) changes in the cost of living averaged over the preceding three years; (D) the existing conditions of employment of the employee group and those of similar groups; and (E) the salaries, fringe benefits, and other conditions of employment prevailing in the state labor market, including the terms of recent contract settlements or awards in collective bargaining for other municipal employee organizations and

developments in private sector wages and benefits. The parties shall submit to the arbitrators or the single arbitrator their respective positions on each individual issue in dispute between them in the form of a last best offer. The arbitrators or the single arbitrator shall resolve separately each individual disputed issue by accepting the last best offer thereon of either of the parties, and shall incorporate in a decision each such accepted individual last best offer and an explanation of how the total cost of all offers accepted was considered. The award of the arbitrators or the single arbitrator shall not be subject to rejection by referendum. The parties shall each pay the fee of the arbitrator selected by or for them and share equally the fee of the third arbitrator or the single arbitrator and all other costs incidental to the arbitration.
